**ORDER**

**Issued: December 3, 2014**

**Released: December 3, 2014**

Environmental LLC, Verde Systems LLC, and Warren Havens have recently submitted *seriatim* motions even though the hearing on Issue G is set to commence in less than a week. These repetitive motions have been carefully read and found to be frivolous to a fault.<sup>1</sup> Opposing counsel should not respond to these motions.

---

<sup>1</sup> Cf. *Warren Havens*, Memorandum Opinion and Order, 28 FCC Rcd 16261 *passim* (2013) (upholding sanctions on Mr. Havens for abusing Commission processes by “filing frivolous and repetitive pleadings.”).

In order to permit the Presiding Judge, the Enforcement Bureau, and Maritime Communications/Land Mobile, LLC to focus only on the hearing, no further motion practice will be permitted *sine die*.

Similarly, all *ex parte* telephone calls to OALJ are absolutely embargoed *sine die*.

Howsoever, in the interest of justice, fairness, due process, and the Presiding Judge's discretion, written motions for leave to file, or written motions for an emergency conference or conference call, will be considered provided they are limited to two pages in length, exclusive of certificates of service.

**SO ORDERED.**

FEDERAL COMMUNICATIONS COMMISSION<sup>2</sup>
